

## DECEMBER 2018 OUTREACH EVENTS

### Atrium Plaza

- Transit
  - Run buses for special events (e.g. events at David Street Station, Christmas Parade)
  - Park & Ride at the mall for special event routes
- Walking and biking
  - Request for bike rentals
  - Education plan/materials for bike lanes so people know what they are for and how they work
  - More places to walk dogs off leash
  - “Coming across reckless bike riders, get them off main streets”
  - Better signs/markings at intersections near library and Bank of the West (*unsure if referring to markings for pedestrians or drivers*)
  - New section of trail by College is good and safe for runners
- Driving
  - Poor signal timing, especially near Casper College
  - Brighter paint on roads so lines can be seen easier
  - Request for wider roads

### Art 321

- Transit
  - “Keep The Bus and CATC”
- Walking and biking
  - Complimentary of trail system in the region
  - Want more bike facilities
  - Intersection near museum is a problem area for pedestrians and bicyclists
    - “As a cyclist, it’s not clear as to whether I should stay on the street or continue to the bike path”
  - Need safer bike infrastructure on 12<sup>th</sup> and 15<sup>th</sup>, and east/west connections in general
